Subject: Streetplus - Update

I write to inform you that Ken Nakano is no longer employed with Streetplus. Ken was instrumental in developing our operations in the Metro Los Angeles area and was responsible for many of our successful program elements that our employees and customers enjoy today. All of us at Streetplus wish the best for Ken and his family as he begins a new professional journey.

I know many of you have worked directly with Ken over the past several years and I'm sure there are pending projects that he was working on. I would appreciate it if you could forward a list of any projects that are pending so I can incorporate these projects into my workload.

Streetplus has begun the process of recruiting for the new Regional Vice President Metro Los Angeles. I will keep you informed of our progress as we fill this vital position in our organizational structure. Also, if you know anyone with a security or law enforcement background that would be interested in the position, please refer them to me.

During this interim period, I will be your contact until further notice. My contact information is below. I will be making a visit to Los Angeles the week of March 5th and would like to schedule time with you to bring you up-to-date and to catch up on programs and activities occurring within your district.
